Nicole Powell
Director & Trainer Pretoria

ABOUT SA BEAUTY

SA Beauty is a youth development organisation. We focus on building confidence in male & female models to become classy and fearless young ladies. Our Campaign "Operation Fearless" is an anti bullying campaign, we believe that every girl is unique and has true beauty, we help them discover that and build their self esteem through a variety of modelling training and fun activities like Fashion shows, spa parties, pageants, amazing photo shoots and much more

Celebrating 9 Years
of Training
Successful models

Mission

Turning Shy girls into confident and successful young woman is merely the beginning of our mission, we also help male & female models to become top models in the industry by providing them with worthy opportunities to groom them and prepare them to succeed in this industry.

We provide models with the platform to grow as a model and to build a professional portfolio which will help them be discovered. Giving them on stage experience, a professional Zed Card and everything else they need as a model. We create real opportunities for our models and we aim to turn models into role models to make a sustainable difference in our community. We believe modelling should become a lifestyle.
